Dear Fellow Education Support Employees,

Welcome to Frederick Public Schools! We look forward to a rewarding and successful year! As President of the Frederick Association of School Support Employees (FASSE), I invite you to join the more than 1,200 school support members who belong to our association. FASSE is here to assist you by negotiating your contract, guiding you through problems that might occur on the job and throughout your career with FCPS.

FASSE offers a wide range of benefits that are beneficial to your personal and professional life. The benefits of membership are among the many important reasons that more than half of your fellow school support employees are FASSE members.

The strength of the Frederick Association of School Support Employees, Maryland State Education Association and the National Education Association advocates for public education and its employees is found in the unity of our members. More than ever there are changes and challenges facing public education. We need to stand together so that we have the power to influence the direction of change in our community and beyond. By joining FASSE you have a voice in improving public education.

I hope you have a great start here in Frederick County. I look forward to meeting you and I urge you to become an active members of FASSE. Please feel free to call our office if you have any questions or need assistance.

Sincerely,

Norma Davis

FASSE President
