The purpose of this document is to reduce to writing and memorialize the understandings of the parties with respect to salaries, wages, hours, and other working conditions. The document is an understanding between the Frederick County Public School system and the Frederick Association of School Support Employees (FASSE). The signing of these understandings by the parties indicates the intent of the staff to uphold what has been written. This understanding shall be in effect from July 1, 2017 to June 30, 2020.

The Frederick Association of School Support Employees (FASSE) is recognized as the support employee organization representing nonsupervisory educational support employees in all matters that relate to salaries, wages, hours and other working conditions.

For the duration of this Agreement, the rights and/or privileges enumerated in Article II shall not be granted to any other organization seeking to become the nonsupervisory educational support employees bargaining agent of the nonsupervisory employees.

2.2 NONDISCRIMINATION

Neither the Board nor FASSE shall discriminate against any educational support employee in the application of the terms of this Agreement by reason of nonmembership or membership in FASSE or participation in any of its lawful activities.

The Association and the Board agree that they will not illegally discriminate against any educational support employee on account of race, religion, color, national origin, marital status, gender, age, disability or sexual orientation.

No educational support employee will be prevented from wearing pins or other identifications of membership in FASSE as long as such action does not interfere with the safe conduct of his or her job duties or violate federal and state health and safety standards.

2.3 USE OF FACILITIES/ACCESS TO BUILDINGS

FASSE officers, members and employees will have access to all school buildings and to all educational support employees provided that the exercise of this right in the reasonable view of the administrator/manager will not interfere with effective school operation or the employee's work assignment.

Upon completion of application of the appropriate form by the FASSE president, and approval of the building principal/manager and the facilities planner, FASSE will have the right to use any Board facility without cost at reasonable times.

2.4 BULLETIN BOARDS

2.9 BOARD MEETINGS

A copy of the Board agenda will be sent to the FASSE president prior to all Board meetings and the FASSE president will be given copies of the minutes of official Board meetings when they are distributed.

The Association may request and shall be given a place on the agenda of regular Board meetings for brief reports and/or announcements. Upon appropriate request, the president or designee shall be recognized to state the Association's position when matters relating to wages, salaries, hours, and other working conditions are being discussed.

2.10 PAYROLL DEDUCTIONS

- A. The Board agrees to deduct from the salaries unified membership dues for Frederick Association of School Support Employees (FASSE), the Maryland State Education Association (MSEA), and the National Education Association (NEA) as said educational support employees individually and voluntarily authorize to deduct through an appropriate written authorization form prepared by the Association and approved by the Human Resources/Finance Departments. Educational support employees of the Frederick County Public School system should dress in a manner which is appropriate for the work to be done in their assigned positions.

2.12 PERSONAL LIFE

The personal life of an educational support employee is not within the appropriate concern or attention of the Board except as it may affect the employee's role and responsibility, and the efficient, safe performance of assigned functions during the workday.

ARTICLE III EMPLOYMENT CONDITIONS

3.1 CATEGORIES OF EMPLOYMENT

PROBATIONARY EMPLOYEES

- A. New educational support employees shall be regarded as probationary employees. This initial probationary period shall extend for one (1) year beginning with the first day of employment. Any

absence during the probationary year in excess of twelve (12) days will extend probation by a corresponding number of days. If a probationary employee works beyond a six (6) month period, feedback about performance will be given by the immediate supervisor.

- B. Probationary employees are at-will employees, and may be terminated during the one (1) year probationary period, and still be entitled to the administrative appeal process.
- C. Any action taken by the Superintendent or designee with respect to such employees during the probationary period shall be final. The discipline policy does not impair or limit the Superintendent's authority under this article.
- D. Probationary employees shall not be eligible to belong to the sick leave bank.
- E. Probationary employees will receive a copy of their job description. Educational support employees will be assigned by the Department of Human Resources in cooperation with the respective director, supervisor, or manager and in accordance with the provisions of this Agreement.
- F. Probationary employees are not eligible to apply for vacancies during their probationary period.

REGULAR EMPLOYEES

- A. A regular full-time, twelve-month assignment is a position which has been created by the Board with the anticipation that it will be necessary to maintain the existence of the position on the full-time year-round basis. The work year for a twelve-month position begins July 1 of one year and ends on June 30 of the following year.
- B. A regular full-time, ten-month assignment is a position which has been created by the Board with the anticipation that it will be necessary to maintain the existence of the position during the months schools are in session for students.
- C. A regular part-time assignment is a position less than full-time. If a support employee works 50% or more of the normal work week of a person in their particular position, such educational support employee is eligible for all benefits offered to full-time educational support employees.
- D. An assignment letter shall be issued to each educational support employee on an annual basis. Also, an assignment letter shall be issued any time a change of employment status occurs.
- E. The assignment letter shall include the following: employee's location, hourly rate of pay, yearly salary, grade and step on pay scale, and total hours worked per year.

TEMPORARY EMPLOYEES

- A. Temporary employment assignments are created as needed and expected to be of brief duration not to exceed one assignment year. Temporary employees are considered at-will and may be terminated at any time without cause and are not entitled to leave benefits, retirement membership, or insurance coverage. When an employee's temporary position is extended to a second consecutive year of employment, it will be included in the Superintendent's yearly budget as a regular benefited position and subject to adoption and contingent on final funding of the Board's budget.
- B. FASSE is providing notice that effective July 1, 2011, all past agreements, memorandums, and practices regarding temporary employees shall be considered null and void, which includes but is not limited to special education instructional assistants, food service, and temporary employee positions.

3.2 EVALUATION

Support employees shall be evaluated on evaluation forms consistent within their classification by the appropriate first-line supervisor:

- A. Purpose - The parties agree that the primary purposes of the evaluation process are to identify and improve employee performance by utilizing assessment procedures coupled with recommendations for improvement.
- B. With the exception outlined in "C," educational support employees shall be evaluated at least annually prior to the end of the employee's school year. Evaluations will be completed in accordance with the following timelines, unless extenuating circumstances exist:
 - 10-month employees by June 1
 - 11-month employees by July 1
 - 12-month employees by August 1

Evaluations may be deferred when an employee has worked less than half of the school year. The evaluation process will be communicated to employees upon being hired. Supervisory personnel will be trained concerning the evaluation process.

- C. Educational support employees working in the same assignment for at least three (3) consecutive years who have satisfactory performance may be evaluated every other year at the discretion of the supervisor.
- D. The evaluation form must be signed by the educational support employee (to indicate receipt), and by the evaluator. The educational support employee shall be given a copy of the completed evaluation form. The educational support employee may request a conference to discuss the evaluation prior to placement of the evaluation in the personnel file.
- E. Comments - The employee shall have the right to attach any comments he/she wants to attach to the evaluation materials and if the employee declines to sign acknowledging that he/she has read the evaluation, it will be placed in the file with a statement to that effect.
- F. When an employee is subject to feedback regarding performance or any other work-related matter, no employee shall be disciplined or communicated with in a disrespectful or unprofessional manner.
- G. FASSE and FCPS agree to develop a joint committee to review evaluations as they relate to: Secretary, Instructional Assistants, and Special Education Assistants. The recommendations shall be made by school year ending 2015.

3.3 DISCIPLINARY ACTION - NOTIFICATION

Employees subject to discipline of suspension without pay or discharge shall be provided notice of the charges including the rationale of the decision. The employee will be provided an opportunity to respond and will have the right to representation at the hearing/meeting where disciplinary action is being issued. The employee may appeal such action with union representation pursuant to §4-205(c) of the Education Article of the Annotated Code of Maryland.

3.4 GRIEVANCE PROCEDURE

GRIEVANCE - A complaint by an employee, or, in the event of an action affecting Association rights, the Association, concerning the interpretation, application, or alleged violation of an expressed provision of this Agreement.

PURPOSE - The purpose of this procedure is to secure, at the lowest possible level, equitable solution to the problems which may, from time to time, arise affecting educational support employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

- A. An educational support employee, including a probationary employee, who elects to grieve or file a complaint alleging violation of the Agreement, shall proceed under this section.
- B. Grievance forms shall be developed jointly by the Superintendent and FASSE.
- C. The employee shall have the assistance of a member of FASSE as a representative in steps 2, 3, and 4 if the employee chooses. The member may use Association and/or personal leave to serve as the employee's representative. The employee may have the assistance of affiliate's legal counsel as a representative in step 4.
- D. Witnesses required by the school system to testify at a grievance hearing conducted during the employee's normal working hours will be given time off without loss of pay.
- E. Grievance Process

Step 1. Informal Review

An educational support employee with a grievance shall first discuss it with the principal or immediate supervisor directly, the objective being an informal resolution of the matter. The employee shall request an informal meeting with the person who is the immediate supervisor within ten (10) working days, of the grievable event. The immediate supervisor must hold an informal meeting with the employee within three (3) working days of the request. The immediate supervisor shall respond to the employee within five (5) working days of the meeting.

Step 2. Formal Review

If the employee is not satisfied, or if no decision is rendered within five (5) working days of the meeting, the employee may obtain further formal review by filing a completed grievance form with the immediate supervisor. Such grievance must be in writing and must state specifically that this grievance procedure is being invoked. This filing must be received by the immediate supervisor within five (5) working days of the immediate supervisor's response or, if there is no response from the immediate supervisor, within ten (10) working days of the initial request for an informal meeting. The immediate supervisor shall hold a hearing within five (5) working days of receipt of the written grievance and render a written decision within five (5) working days of the hearing. The educational support employee may appear alone or with a representative from the Association.

Step 3. Appeal

If the employee is not satisfied, or if no decision is rendered within five (5) working days of the hearing, the employee may obtain further review by appealing the matter to the manager/director of the division. The director will involve intermediate levels of supervisors not considered in step 1 or step 2, and the senior human resources manager. This appeal must be in writing and received by the director of the division within five (5) working days of the immediate supervisor's response or, if there is no response from the immediate supervisor, within ten (10) working days of the date of the appeal filed under step 2. The director of the division shall hold a hearing within five (5) working days of receipt of the appeal and render a written decision within five (5) working days of the hearing.

Step 4. Final Appeal

If the employee is not satisfied, or if no decision is rendered within five (5) working days of the request, the employee may obtain further review by appealing the matter to the Superintendent. This appeal must be in writing and received by the Superintendent within five (5) working days of the step 3 response or, if there is no response within ten (10) working days of the appeal filed under step 3. The Superintendent shall hold a hearing within ten (10) working days of receipt of

the appeal and render a written decision within ten (10) working days of the hearing.

Step 5. Arbitration

If the aggrieved person is not satisfied with the disposition of the grievance at step 4, or if no decision has been rendered within ten (10) working days after the grievance was received by the Superintendent, the unit member may, within fifteen (15) working days after receipt by the Superintendent, request, in writing that the Association submit the grievance to arbitration. If the Association determines that the grievance has merit, it may submit the grievance to arbitration no later than forty (40) days after receipt by the Superintendent. If the Association fails to serve such notice of its intention to arbitrate within this time limitation, the grievance shall be considered settled. No individual employee shall have the right to invoke this arbitration procedure.

Selection of Arbitrator

1. If the Association and the Board are unable to agree upon the selection of an arbitrator within seven (7) calendar days after the Association's notice of an appeal to arbitration, the Association shall submit the grievance to arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association.
 2. The jurisdiction of the arbitrator shall be confined to the express provision(s) of this Agreement at issue between the Association and the Board. The arbitrator shall have no authority to modify any provision, or to hear or decide on more than one grievance without the mutual consent of the Board and Association. The decision of the arbitrator shall be binding on the grievant, the Association, and the Board.
 3. The Association and the Board shall each bear their own expenses and share the cost of the arbitrator.
- F. The timeliness in this section for filing requests for informal meetings and appeals and for the convening of hearings and rendering decisions may be extended only at the mutual consent of the grievant, FASSE, and the Board designee.
- G. The Board and the Association will jointly schedule grievance hearings which are mutually convenient. No reprisals of any kind shall be taken by the Board or by any member of the administration against any aggrieved person, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

Forms for filing grievances, serving notices, making appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the superintendent or designee and the Association.

All meetings and hearings under this procedure shall not be conducted in public and shall include only the grievant(s), the principal or supervisor, the Superintendent, their designated representatives and relevant witnesses.

3.5 PERSONNEL FILE

Material of a negative or derogatory nature must be shown personally to the educational support employee prior to placement in his or her personnel file. The file copy must be signed by the

educational support employee to indicate that the employee has seen it.

An educational support employee shall have the right to place a signed, dated response to any derogatory material placed in his or her personnel file.

Educational support employees have the right, by appointment, to review materials in their personnel files. This review shall not include confidential material such as reference letters, or information received in the course of initial employment. Educational support employees can have an officer of FASSE present during the review.

Material related to the grievance procedure will not be placed in the educational support employee's personnel file except as the grievance decisions affect the employee's terms or conditions of employment or if agreed to by the employee.

When termination of an educational support employee occurs, no documents or other materials of a negative nature except those that relate to the reasons for termination shall be placed in the personnel file of said employee.

3.6 ANNOUNCEMENT OF VACANCIES

In the event there is an opening for a regular position within the unit, the Board will post notices of such vacancies for a period of at least seven (7) workdays on appropriate bulletin boards.

The hiring process of all new and vacant positions shall be advertised for seven (7) workdays. A unit member desiring to be considered for a vacancy must apply for the specific vacancy by the specific deadline. The posting shall include the school/work site, location, and hours of the position when known at the time of the posting. In determining the selection of the successful candidate, the Board will consider such qualifications as: skills, abilities, experience, length of service, and overall needs of the school system. The intent of this language is to ensure a fair and consistent hiring practice in hiring the best qualified candidate and in no way is meant to compromise the legal right of the Superintendent to hire personnel as the needs of the school system may require.

The Board encourages qualified internal candidates to apply for vacancies.

In the event of unique and extenuating circumstances, the process for posting a vacancy may be modified upon mutual agreement of the FCPS Human Resources staff and a FASSE Uniserv Director.

3.7 VOLUNTARY TRANSFERS

- A. Unit members who desire a voluntary lateral transfer are required to submit a Transfer Request form to the Human Resources Support Office between January 1 and June 30 of each year to take effect the following school year. The transfer list will remain in effect for a period of one (1) school year or until exhausted.

- B. Eligibility

Non-probationary unit members are eligible for one (1) transfer during the identified school year.

Probationary employees hired during the identified school year may be placed on the following year's transfer list provided they have completed at least one (1) year of service on or before June 30 and have satisfactory work performance.

- C. In determining the selection of the successful candidate, the Board will consider such qualifications as: skills, abilities, length of service, and the overall needs of the school system. The intent of this language is to ensure a fair and consistent practice in transferring the best

qualified candidate and is in no way meant to compromise the legal right of the Superintendent to transfer personnel as the needs of the school system require.

- D. The increase in time of a part-time support employee to a full-time position on the same pay schedule at the same job site or transfer within the same department is not considered a transfer provided that the new position is essentially the same as the current assignment.
- E. Educational support employees who have been transferred involuntarily are not limited in their eligibility for a transfer or promotion.
- F. A support employee temporarily assigned to a higher paying position for more than ten (10) consecutive workdays will be paid for the eleventh day, and any subsequent consecutive day, in accordance with 4.3.A.

3.8 INVOLUNTARY TRANSFERS

- A. The Superintendent or designee may involuntarily transfer employees, as the needs of the schools require.

Generally, an employee will receive in writing ten (10) days in advance that they will be involuntarily transferred. If requested, the employee, within five (5) days, will be given the reasons for the transfer.

- B. Where it is necessary to select a unit member for transfer where a transfer has not been requested and the transfer results from a reduction in the number of employees in a program or at a worksite, the following criteria may be considered. Such criteria are to ensure a fair and consistent practice and is in no way meant to compromise the legal right of the Superintendent to transfer personnel as the needs of the school system require.
 - 1. Volunteers may first be sought from that work location.
 - 2. Unless deemed essential to an assignment based on skills and abilities, any probationary unit member(s) assigned to that location in the unit member assignment affected may be selected, with the least senior probationary unit member being transferred first.
 - 3. Should the previous steps not satisfy the required number of transfers, the senior human resources manager may select individuals to be transferred and consider skills, abilities, and length of service.
 - 4. Unit members designated as involuntary transfers may be reassigned ahead of unit members requesting voluntary transfers, unit members returning from leaves of absence without pay, or new hires in the affected category.

3.9 PROMOTIONS

A promotion is a change to a higher hourly rate from the previous position. In determining the selection of the successful candidate, the Board will consider such qualifications as: skills, abilities, experience, length of service and overall needs of the school system. The intent of this language is to ensure a fair and consistent promotional practice in promoting the best-qualified candidate and in no way is meant to compromise the legal right of a Superintendent to promote educational support personnel.

When a position becomes available that would cause a promotional opportunity within a particular

department, that position may be filled by a qualified regular employee in that particular department as determined by the manager. Active, paid, professional experience, including paid leave, will be incorporated toward the experience considered; when a promotional opportunity occurs for a lead or assistant lead position.

Employees selected and interviewed for promotional positions shall receive notification of the outcome within ten (10) working days of when the job is accepted by the successful candidate.

3.10 BUS DRIVER TRANSFER REQUESTS

When bus drivers request to make a lateral move for route selection, the Board will consider such qualifications as skills, abilities, experience, seniority, a safe and suitable location to park the bus, which is within reasonable distance of the route, and the overall needs of the school system.

The intent of this language is to ensure a fair and consistent practice in transferring the best-qualified candidate and in no way is meant to compromise the legal right of the Superintendent to transfer educational support personnel.

3.11 REDUCTION IN FORCE

The Board decides which positions and budget category(ies) will be affected by a reduction in force. Absent extenuating circumstances, the Board will provide affected employees and the Association thirty (30) days' notice of its intent to layoff employees.

Prior to any layoff or reduction in force, a seniority list will be developed.

Seniority as used in this section shall mean seniority based on continuous benefited employment within the Frederick County Public School system.

If two (2) or more support employees have the same length of service, they shall be ranked in order of their first day of continuous regular employment and then, if necessary, by lot.

Temporary and probationary employees in the affected category will be separated before any regular employees are reduced.

The reduction of permanent employees within an affected category shall be made after consideration of an employee's seniority, work performance, skills and abilities.

Interruption of service - Seniority shall continue to accumulate while an educational support employee is on an approved leave of absence or on layoff of less than one (1) year.

Regular food service employees employed prior to July 1, 1993, will not be reduced in hours or salary in the last three (3) years prior to retirement, as verified by the Human Resources Department. It is understood that it may be necessary to involuntarily transfer the food service employee in order to fulfill this commitment. Unit members recalled under these provisions shall have restored to them all previously accrued sick leave and personal leave. Uncompensated annual leave will also be restored to twelve-month employees, if restored to a twelve-month position.

The Board and the Association recognize that appropriate governmental agencies which have jurisdiction may promulgate rulings and/or regulations that may impact this section.
